“ We are so sorry for your loss. Our two grandsons Andre & Dante have lots of memories of Devron & Cameron playing in the woods, videos and hanging out together across the street from yall in Wylie. All of his laughers, kindness and being a great friend to our grandsons will be fondly remembered.

“ In loving memory of a wonderful person. I went to school with Devron and he was such an amazing guy. He would always cheer you up when you were down or always put a smile on your face either with jokes or his kind words. Thank you for always being nice to me in high school and making my days. You will be missed. Praying for you and for your family.
