“ Dear Crystal and family. I'm so sorry to hear about your mom. I know she loved her family dearly. I have great memories of working with her. There was never a dull moment with her and all we did was laugh. She was a mess but in all the good ways!

Prayers for you all.

“ I was Donnas' Uncle David girlfriend in High School. When we were at his house and the family was usually all there on weekends for a visits'. Donna was just a lil "squirt then. She was the one that came around to me the most and OH So full of questions! Sweet child for sure! I thought even back then she looked like her Grandma Weger and very much as she became a grown woman. We came across each other a few years ago on Facebook and of course became "friends". I enjoyed keeping up with her and her sharing things about her family. Always a very proud and loving mother! God got a good one this time, and I know you will be one mighty Angel! Praying for God to wrap his arms around this family and hold them up thru this difficult time
