“ Ms. Doris and my mother(Mary Roberson) were co-workers, sisters, and friends. I recall growing up with her being a vital part of my life. Her buying my daughter dresses, toys, and candy. She was such a lovely lady that I can truly say was a dear sweet friend to my mother until her death 8 years ago. God knows I can only imagine the two of them together again. It truly brings a smile to my face and heart. Thank you all for sharing her with my family and me for many many years as she worked for Denton State School CBRP. My thoughts and prayers are with you all during this difficul time. May God continue providing you all with comfort and peace.

“ Doris was my co-worker at Denton State School for 10 years. I learned and saw what a great lady, wife and mother she was. A week ago I called her and we spoke for about an hour reminiscing about our friendship. Heaven has gained a special angel. My heartfelt sympathies go out to her children, Sheila, Rocky & Roney and her family.
