“ Will there ever be another friend like Dot Sparks.....no, there won't be. Not only were her friends blessed to be IN her life, she cherished those same friends as if they WERE her life. Dot was the epitome of warmth, acceptance, compassion and knowledge. Even though we will miss her dearly, we know she is in a place where there is no more pain and she can finally rest at peace, which gives us a sense of calm. We will all miss your contribution to this life but know we will see you at another time, Dot. I am honored to know I was your friend. Rest in peace. You were loved by so many.
