“ Mom, Words will never express the love I have for you. But before I loved you, you first loved me. Mom life will never be the same with you gone. I will lock the memories of you away in my mind like gold in a memory vault. you leave with me the legacy of how to love others more than yourself, serve others over yourself and the value of hard work. Mom I know you are in the arms of our loving Lord Jesus Christ and that gives me strength to carry on. Now go rest high on that mountain until we met again. LOVE ALWAYS your son Tom

“ My heartfelt condolences, go out to the Carr families tonight. They lost a beautiful soul today, and the heavens didn't so much gain a new star as they did a comet, for that's how I see her, MoMa Dot, blazing across the sky, trailing her glorious, beautiful, firey tail behind her for all the world to see. She was the most loving, most fun hella cool spitfire, this world will ever know, and it's a better place for having had her. I know she watches over her loved ones. I also know, she had many, MANY who loved her, and we'll all feel her loss. Prayers, Blessings and Good wishes winging their way to you. And love, lots and lots of love.
