“ Dorothy Mae was a very sweet lady. She was always welcoming to our family. She was very thoughtful in helping others. She and Junior taught my daughters to play Mexican Train dominoes.

“ Dorothy was truly a visiting angel for our mother after we lost dad. She and Dorothy Davis and Penny Mitchell were quite a wonderful distraction and became really really wonderful friends. We have such fond memories of her laughter and wit and those wonderful sausage rolls. Blessings to her dear family at this time of celebrating a life well lived. We are so thankful Dorothy found our mom! I can still hear them laughing...;-) and I know they are laughing now. With Love....The family of Mickey Josephson.

“ During the two years that my husband Darrell and I lived in Texas and were neighbors to Bobbie and Floyd, Dorothy would wave to us across the yard when she visited them and we were occasionally blessed with one of her delicious pies. We first met Dorothy at church in Pilot Point. She was so welcoming and treated us like family. What a dear, sweet lady! Sincere sympathy and prayers to all of her family.

“ I am going to miss our trips to the eye doctor in Sherman. We talked about farming, living, God, and so much more. We laughed and had so much fun. I’m gonna miss that

“ When my husband and I retired to Pilot Point we first met Dorothy at church. She was so welcoming and loving and we loved talking with her. When I lost my husband early last year she sent me many cards and invited me to talk with her. We shared our feelings with each other over the phone because of Covid. I will always remember how sweet and caring she was. She had a heart for people and God and will be missed terribly.
