“ Dorothy and MB were the first couple in business I met when I married and moved to Pilot Point. It was a joy each week when I went to their store and purchased groceries. They were the kindest ,sweetest, funniest and honest couple I have ever met. I loved them dearly and their two girls. Watch them grow up. Memories such as these are a treasure. They were a treasure. Sorry I did not know of her of passing till now.

“ Dearest Cheryl and Carol. My heart grieves with yours. Dorothy was a wonderful friend to me . She made me feel welcome in Pilot Point, and like a part of her huge family. Some of the best memories in my life are those from the 70s, spending time with her and your dad in the grocery store. She had a kind word for everyone and a great sense of humor. I will miss her. “ Dorothy was a fun, loving and giving person. Her personality just lit up the room where ever she was. She is the great grandmother of my 4 grand daughters and she showed so much love for all of them. She enjoyed meeting with them quite often in Pilot Point to buy them lunch and treat the great grand kids! Also, Dorothy and my dad were born on the same day of the same year and they use to tease each other about their ages! Their birthday's were coming up this Saturday, March 2nd. My deepest sympathy goes to her family. May you all keep in mind the hope of everlasting life which can help sustain you through this difficult time. I have missed her these past years driving up and down the road. May you rest in peace with MB and continue to light up that room!
