“ Great memories of Doug back in school. He was a standout among young men and student athletes at Roy High School, and will forever remain an honored part of RHS Class of 1983. I know I haven't seen Doug in decades, but I enjoyed sharing jokes with him on Facebook over the past several years, and I know I'll miss him forever. Our thoughts and Prayers to all of Doug's family & friends during this difficult time.

“ Wish I was closer to say a final goodbye. So many memories of Uncle Doug, enjoying summer vacations in Wisconsin together. He always had a smile and a joke. I am grateful to have such a fun and caring uncle. It was such a blessing to introduce him to his great niece and nephews this past year. We will miss him.

“ Doug lived across the street from me when his family lived in Roy, Utah. All of us neighborhood kids hung out everyday. He was always such a respectful, kind hearted, friend. My heart hurts for your family. ❤️

“ *It is hard to accept Doug's recent passing. He has been a beloved member of our family after marrying Lea and has been present at most special events in our lives. He was the type of person who knew how to help, when not to help; what to say, and what not to say. Our family laughed more thanks to him. He will be missed.*
