“ I remember every time we went out to Paducah, Doug would always have have to stop at “Wal-Maht” and get ice cream. It was always a good time when he was there. Praying for the peace that passes all understanding for the family.

“ Doug was my uncle and we have thousands of fond memories of him and his incredible family. We spent many summers together on Lake Winnepesaukee, NH, playing cards, swimming, boating, and participating in massive water fights. I adored his very dry sense of humor, his intelligence, and his deep love for his family. Although born in Massachusetts, I knew his huge personality and spirit belonged in Texas. Sending our deepest love and condolences to our extended MacElroy family. Allison and Michael

“ Mr. Doug always made me laugh when he came in to D&L with his quick wit and sarcasm. Holding Miss Debbie and your entire family in my prayers.

I drove Doug to his appointment at the latter days of his life. Even though he did not say much to me, I can tell he was a good man whom was loved deeply by his family. I always admire Debbie's dedication towards Doug and all the sacrifices of the Children and in laws a true definition of love. Doug may your soul rest with our dear Lord. My deepest condolences to the entire family. Josephine
