“ We enjoyed our visit with Ella one year ago when returning from one of our travels out east. She mention then that she had a hard time finding domino players at the home because they knew she would beat them. She was a gentle lady of wit and wisdom....always had a slight grin after witty story. And always greeted us with a smile and always joked about driving her car on the interstate. She will be missed by all who knew her. We are fortunate to have known Ella and have our fond memories..Our sympathies are extended to her family. Jerry & Ellen Vernon

“ Ella was a true joy when she was at Faith Lutheran. She sent a birthday card to every member in the church every year. She also crafted little items she would share with us. While it is a sad time for us, I am so happy that she is with her Lord. Your friend in Christ, Patty Bowden

“ Aunt Ella was such a joy to be around- Bobby and I loved seeing her. She always had something comical to say. There will never be another one like her.
