“ She was such a lovely lady. I will always cherish, in memories, she & Sue’s (Nanny) sweet connection over their grandchildren. Nanny said they had much in common. It is such a testament to us all that we can have friendship share laughs & feel love for someone we just meet. May the Lord bless the family today with peace & comfort and many blessed memories.

“ May the family be at peace in this time of sorrow 🌿

Celebrate her life she shared throughout her life time on this beautiful earth

We might not be the ones to change the world.

We might not belong to the few that “put a ding in the universe.”

We might not be something the whole world would celebrate.

But...In the little corners that we live; in the lives that we’ve played a part in, we should be nothing but unforgettable.
