“ Lots of great memories of Elaine. They lived across the street from us for many years. She was always worried about her baby, Rickey Foutch that passed away a few years ago and right after he died, I asked her if she needed anything and she told me she wanted her baby back and a mountain dew! I got your mountian dew that day. Now I hope you are visiting with your baby and having a Mountain Dew!I had already been missing seeing you around town and I certainly will now. RIP sweet lady.
