Rudy, Celeste and Lina,

My condolences to you and family. I am so sorry for the loss of Esme, a life taken too soon.

I met Esme, August 1976 at TWU. We were carefree college students at that time. Esme was an intelligent, decisive, strong, focused, goal oriented woman. Rudy, I also met you in 1976 and we became friends. One evening sometime in 1977, I was going to meet with Rudy and asked Esme to come along with me. When we were approaching the area, Esme saw Rudy, She asked me "Who's that guy?" I answered Rudy from Sanger. Later, that same evening Esme told me, "I'm going to marry that guy".

Esme achieved her academic and life goals of which I am certain she instilled in Celeste and Lina and all family she encountered. They will pass on Esme's strength, determination and love of family.
