“ Aunt Faye had her own special sense of humor and we shared many times laughing and not taking life too seriously. She had a warm and forgiving spirit about her and was never quick to judge her fellow man. She lived and loved life as most people should. Love and Miss you Aunt Faye.

“ Aunt Faye and I had a lot of girl talks together. She brought laughter to my heart when I felt down and out. She was my friend. I have learned many good life lessons when we had our talks. I will miss her.

“ Today I learned of my grandmother's "Nanny" passing and it saddens my heart; at the same time I know she is heaven with Papa. She was always full of joy every time my sister Hannah and I were able to spend time with her. She will be missed and I will always remember her love, kindness and joy for family. I wish she could have seen her great grand daughter during her time with us but I know one day by the grace of God we will all be reunited again. I love you Nanny.
