“ My deepest sympathy to Frances entire family. I am deeply saddened by this news as i know the entire family is. I didnt know her that long, but i feel i have known her a long time. Whenever i came to texas we always got together for lunch or breakfast at the cracker barrell cause that was her favorite place. I am so glad i got to know her, she was the sweetest lady. We hit it off from the first time i met her. she will be greatly missed. Hugs to her family. Thank you Frances for inviting me into your home.RIP Frances.

My sincere prayers and condolences to the family who loved Frances dearly. I was heartbroken by the news of my little buddy's passing. We worked together side by side or close for 20 plus years. I have so many good memories of all the fun we had in spite of the works we had to do. Frances was quite a little character whom I came to love as a dear friend. We didn't visit much after we left work, but we did connect on Facebook and it's been years of sharing things. I will miss her very much. RIP my little friend and I seriously mean little. I know you are at peace and rest in the arms of Jesus.
