“ Fred will be missed by all who knew him. He touched so many lives, always with a smile and a handshake or hug. He loved Jesus, as he would often share with others.

*Fred was an awesome addition to our family. Much love from Kim and Karen.*

*Fred, you were an absolute giant to the Kentcroft kids. An outstanding soccer coach, former police officer, and investigator. He helped me on the largest child abuse case in the country winning all the cases. He stood by closer than a friend along with his then wife Leanne. He will always be known for his neon pink and green soccer shorts by the boys. He believed in hard work, Jesus, and no bull. He was hard core when it came to the character of all the boys. An unmistakable presence to all of us who had the opportunity to engage with him. Heaven is so bigger than the life here, and I know he is there.*
