“ We are blessed to have known Gene through our membership at Tioga Church of Christ. His gentle, always cheerful and optimistic attitude, was an inspiration and encouragement to all of us; his life, his actions, were truly a sermon without words - none were needed. We will always remember his smile that seemed to glow from inside, lighting his eyes with the reflected love of God. His life changed, for the better, all who had the privilege of knowing Gene, He will be missed - always loved.
