“ He was such a nice man. I met both George and Pat a long time ago. My husband worked with George at Denton County. He also helped our daughter get a lamb for her 4H project. My deepest sympathies are with all of you. I know he will be missed.

“ I was fortunate enough to have worked with George at Denton County RBW. He was the nicest man you could ever hope to meet. He was truly one of the best, always ready with a kind word and a smile for everyone. He never turned down an opportunity to bring Pat's wonderful banana pudding to our Christmas dinners. He was always so proud of her. He will be missed greatly.

“ I was a fortunate recipient of a scholarship Mr. Thompson made in honor of his late wife Mrs. Pat Thompson through the Blue Ribbon Club. I will forever be grateful for their generosity as it helped support me while studying abroad in Spain and while pursuing two degrees from the University of Oklahoma.

My condolences to the Thompson family. ❤️
