“ Mrs. George was a kind lady who made high schoolers in Pilot Point feel honored if they came to class and made efforts to get good report cards. She unexpectedly invited me to help grade achievement tests! Here's a yearbook memory a classmate shared. Rest in Peace, dear lady.

“ Mrs George was a unique lady that I truly appreciated her with all her help. I remember talking to her in her closet office about life after high school. My parents were leaving the country right after graduation and I was a bit scared. She helped me in preparing for college. Thank you sweet lady!
