“ *Jeri was my friend as well as a coworker at El Paso Electric. We worked together for many years. Jeri had a very easy going disposition and we often shared in a lot of playful banter. Often times I would call her Bonsai because of her pedal to the metal driving habit while driving her white Corvette. She loved driving that car. Also, it was hard to miss a pretty red headed lady going down the interstate in El Paso as she drove by. Her smile was contagious and so was her humor and playful demeanor. Jeri will definitely be missed by all who knew her. I know our Lord has a special place at His table for her. Condolences to her entire family.*

“ *I went to beauty school with Jeri and later worked with her at her beautiful shop on Trowbridge. She was like a second mom to me. She loved her children so much, and she shared stories about family activities all the time. She was so wonderfully upbeat and fun. She had such a huge heart and was so kind to me. I will never forget her. Lu Ann Cooper*
