“ My heartfelt sympathy goes out to Geraldine's family. I want you guys to know that my Mom would be there if she could. They were great friends. I remember when they would go to Bingo in Denton quite often. They would also talk on the phone...forever! When I first met my husband, Geraldine and my mom were the ones who took me by his place before they went to play Bingo. Geraldine had to meet him....you know if she did not like him I would have never heard the end of it - LOL! She was a wonderful person and cared about her friends and family greatly! I haven't talked to her in a while, but I do know she will be missed! God Bless and love to you guys, from Joan and Deidre!

“ *Geraldine was a very sweet lady, a wonderful Mother and Grandmother, a friend to everyone. She was such a huge part of Pilot Point, always supporting the sports teams and whatever else the kids were involved in. She will be missed and Im glad I was one of her many friends . Rest In Peace Geraldine, with love and prayers.*

“ *Geraldine was a second mom, friend, encourager, and supporter of me when I was a silly teenager with no sense! I will never forget the kindness and love she freely extended to me over my lifetime. She will be missed by so many and remembered by just as many as I remember her. My love to the family!*
