“ More than five years ago we were blessed to have Gerlanny (Ge), Yuri and Julianna come into our lives. They became part of our family instantly. We knew Ge as Vovó (grandma in Portuguese).

Our family gatherings were always special and fun. Vovó's sense of humor was the life of the parties. How she loved to laugh and dance!

Vovó was an inspiration to all of us. She was caring and loving. She loved her family and friends very much.

We love you Vovó, and will hold you in our hearts forever. We will miss you.
