“ Karen, we've talked of my journey to heaven after my fatality while stationed on Guam. I know how peaceful you are with the surrounding beauty and light all around you, it's gorgeous isn't it. You will be forever loved and missed by all your family and friends until we meet eternally forever more. You were always my shoulder to cry on, we've been through so much. Rest easy Kitten, my prayers extend to all family. May God keep them together in this time of grief and heartache . Our talks on the computer may stop but my talks to you in prayer will continue forever.
