His biggest goal in life was making sure everyone around him was taken care of and never questioned his love! Gordon and Linda were married 50 years! Together they had a huge heart for hospitality and sharing their lives and blessings with others. They welcomed many over the years into their home to stay and/or to share a meal. Gordon loved with his whole heart and did his best to show his

children and grandchildren what a faithful and loving family looked like! Quote from one of his nieces “He was such a special man. No matter what someone was going through, he would make you feel so special and loved.” Gordon left a legacy of love and family.
