“ *Hattie’s family moved to our rural neighborhood in Pilot Point from Seagoville when we were in sixth grade. They had horses, and she was good at riding and taking care of them. I think she loved all animals. She was very sweet, pretty and quite popular.* ”

“ *Hattie and I went to school together and she was always fun to be around. She came to Dallas one day when I was visiting my kids in Dallas. We had a great day visiting and catching up from days gone by. Here she is enjoying my daughter’s dog. He thought she was his best friend.* ”
