“ *So sorry to hear that Helmut has passed. I really enjoyed working with Helmut for many years. He was so good about sharing his knowledge of the meat industry. He was such a great guy. I missed him after he retired. My heart goes out to Elke and the family.*

“ *Die Erinnerung ist ein Fenster,durch das wir Dich sehen können,wann immer wir wollen.Der Tod ordnet die Welt neu.Scheinbar hat sich nichts verändert,und doch ist alles anders geworden.Wenn die Sonne des Lebens untergeht,leuchten die Sterne der Erinnerung.Der Tod ist wie eine Kerze, die erlischt, wenn der Tag anbricht.Du bist nicht mehr da, wo Du warst,aber Du bist überall, wo wir sind.Aus dem Leben bist Du uns genommen,aber nicht aus unseren Herzen.So wie ein Blatt vom Baume fällt,so geht ein Mensch aus dieser Welt.Die Vöglein aber singen weiter.*

“ *I cannot believe you are no longer here with us. You should be here to see all of your grandchildren and great grandchildren. If I could only see you one more time and tell you I love you. I will miss you for the rest of my days. You will never be forgotten. I promise my children will know their Opa and the legacy he left behind. Please also know that we are mending our broken relationships. I had hoped you would be able to see that before you left this earth. I love you and miss you so much it hurts. Forever in my heart. I love you Daddy.*

“ *I wasn't ready to say good bye. I don't think I ever will be. I will miss you every single day for the rest of my days, until we are together again. Watch over us all, as you have always done. I love you with every molecule of my being.*
