

Holly Gail Sparkman

September 24, 1971 - December 21, 2021

Holly Gail Sparkman, 50, passed away Tuesday, December 21, 2021, in Denton, TX. Holly was born September 24, 1971 in Denton, TX to Sonny and Gail Gibbs. Holly married Steve Sparkman, Jr. on August 4, 2012, in Pilot Point, TX.

If you were in Holly's world then you were loved! She knew that "love" was returned. She cherished her family and adored each one from Steve, Jordi, Madi, Sonny, Gail, Nanny and Pa. Her cats, The Spice Girls, Nutmeg "Mega", and Paprika "Little", were spoiled and doted on. For Holly her friends were really her family and she treated them as such.

Holly took pleasure in cooking for anyone and for every event. She was excellent at home cooking. She collected cookbooks and cookie cutters and she fancied Dr. Pepper quite a bit. Holly also liked sports. She was a revered fan of Texas Tech and the Red Raiders Football, Texas Rangers Baseball, and the Pilot Point Bearcat's High School Football team.

Holly was a charter member of Midway Baptist, and member of Mustang Baptist. She delighted in her walk with Christ. She was passionate about music and was very fond of Southern Gospel, Randy Travis, and Bluegrass. Holly truly enjoyed Christmas and what it represented. She loved her Savior more than anything. As a true believer in Christ, Holly will celebrate Christmas

this year in the most wonderful place of all, with her Lord, and she will join with many others in praising her King. Her family and friends will miss her and all the special ways she gave them memories to cherish, but they will delight in knowing she is with her Savior now.

Holly is survived by her husband, Steve; parents, Sonny and Gail; Daughters, Jordi Cox, and Madi Cox; mother-in-law, Sharon Sparkman; brother-in-law, Scott Sparkman and family; and sister-in-law, Shannon McCarty and family.

Holly was preceded in death by father-in-law, Steve Sparkman, Sr.; and paternal grandparents, Barney (Pa), and Leatha (Nanny) Gibbs.

Visitation will be 11:00AM-12:00PM, Wednesday, December 29, 2021, at Midway Church in Pilot Point, TX. A funeral service will follow at 12:00PM, Wednesday, December 29, 2021, with Kenny Guthrie officiating. On-line condolences may be shared at www.slaymemorial.com

“ My sister, Teresa, and I had the pleasure of working with Holly at the Gaylord. We had lunch together nearly every day at which she shared many stories of her family and the love she had for each one of them. She also shared about different dishes and desserts she made which sounded delectable. Teresa and I were given this homemade recipe book when we left the Texan as we both ended up moving back to California. It is a very special memoir of our friend that we both will cherish for years to come. Much love and prayers being sent up for you all. Stay strong... Holly wouldn't want you all sad. Carry on her love and kindness for others so she can look down from heaven upon the goodness being done in her name. Love the #beaholly. Hugs to you all! 💕

“ I don't even know where to begin to share my memories of Holly. We grew up together in the same class from Kindergarten through graduation. So many memories of field trips, sleepovers, graduation swimming party at her house. She loved her classmates so much and was so proud to be a Bearcat. She made sure to arrange reunions for us to continue to get together every few years. She held us all in her heart and was the glue that kept us all together no matter the distance. She was always smiling that big sweet smile no matter what she was going through. I am so incredibly grateful I had the chance to hug her neck this past summer when we celebrated our class reunion. Our class will never be the same, but we will always carry her with us wherever we go.

“ Holly Gail was a light in life no matter the circumstances. I met her when I was 17 and she was 6. She was a sweet jewel of a little girl. As a woman I could not have asked for a better friend. She shared the love of God in her smile and everyday actions. I am happy in the fact that she is now healthy and happy in heaven having a most wonderful time. She will be missed greatly by us all.

“ My sweet Holly Gail. Your love, light and sheer joy of living made such an impact on your family and friends. For that we thank you! I have so many memories of my sweet cousin, I mean you were the one with the pool! So many days spent playing together, but the memory that sticks out the most is “The Great Oklahoma Basketball Camp Tragedy.” We endured true hardship together and that bonds us forever! Starvation, sleeping in squalor, physical torture all while our parents were probably at some resort living it up ignoring our pleas to come get us! I love you and know you are right at home and that gives me peace.

“ I had the blessing of meeting Holly years ago when we both served on the Band Boosters. I quickly felt an instant connection with Holly. Her sweet spirit and faith were what I will always remember the best! I also got to know her girls, her husband and even met her cats when delivering some poinsettias. My deepest condolences and prayers for your family, Holly. We will see you again.
