“ I regret that I didnt know Jack very well or very long, but Im the short time I did know him he made a lasting impression on me. His Sunday School Class gave me the opportunity to realize that he was someone that had found God and he brought God with him to our class. Thank you, Jack.

“ Linda, Darren and your entire family, It is hard to express in words my sadness for all of you. So sudden, so unexpected. And probably no goodbyes. I know the feeling. It is hard to understand these things, but your loss is Heaven's gain and one day you WILL see him again. May God comfort you and give you strength in the days ahead. Treasure all of your precious memories. Rest in Peace Jack Blanton, and please if you see my Leroy up yonder, give him a hug.

“ Dear Linda and family, I am at a loss for words as to how to express my sorrow upon learning of Jack's death. I knew Jack as my Sunday School teacher and he was instrumental in my attendance at the church. I learned a lot in his class because he was always prepared. He spoke of you often in class with love. I wish I could have known you both better. My sympathy to you and the family. May God give you comfort. With love, Anita Asmar
