“ *I've known Jack for over 45 years beginning when we were single guys. Even though we both got busy with family and careers, I found comfort knowing that Jack was just a phone call away. We could go months without contact but one phone and all was well. You would be hard pressed to find a better man than Jack Hall. He was pleasant, respectful, and rarely a harsh word out of his mouth. Malinda and I are crushed about his early passing. Jack and I had just spoken a few weeks ago about getting together. I'm proud to have known this fine man.*

“ Unfortunately I never got to meet Jack but I DO know one thing about Jack...he raised an amazing daughter. Megan is one of the most thoughtful, loyal, and loving people I know. I have been Megan's personal trainer for over a year now and she is a loving wife, mother, and friend who was obviously taught at an early age, how important those things are. Megan spoke so so highly of her father Jack, and there is no doubt in my mind that he left a legacy of loyalty, love, & kindness because it shows in his daughter.

“ Jack and I go all the way back to elementary school at Rosemont. We lived a few blocks from each other. Being maybe the oldest amongst us by a month or two, he obtained his drivers license before most of us. We spent a lot of time driving around Oak Cliff. Only recently did we reconnect via our sharing a common Facebook friend. The two of us like classic cars, and Jack was on the hunt for his "dream car" a '55 Chevy. All the family love I have seen for him on posts over the last week have been moving. Jack was a quiet but sturdy man who I can tell was a foundational example of the best in humanity. He wore the title " PawPaw" with such pride. God bless you, Jack. I hope the Lord has that '55 shined up and parked in your Heavenly garage waiting for you to enjoy. Enjoy.
