“ I am sorry I didn't see this until today. I feel so bad that I wasn't there for his funeral. He was always so nice. I haven't seen him but one time since I graduated. A really nice Man.

“ I know we didn't spend a great deal of time together, but you were always someone I looked up to Jack. An older brother. Thanks for walking those long, hot rows of trees with me to scare up the doves for dad (waiting at the end of the row...in the shade) back during our dove hunting adventures. Rest in peace brother Jack.
