“ Steve was a kindhearted guy. We were first cousins but I also worked for him the last few years that he still had his business. (which wasn't long ago) I would come into work and find donuts, candy, etc. on my desk. This wasn't just occasionally, it was all the time! He was always very "giving." He would have flowers delivered to me and his sweet wife on Valentines Day! That's just the way he was. As a kid I always looked up to Steve and he was always good to me. I will never forget how he would pull pranks to scare my aunt! He will be missed by many. Gone too soon.
