“ It has been many many years since spending time with Jim and Hazel at the flower shop. I learned from them both the value of patience, don't be eager get the hair up on the back of your neck and enjoy time for each minute is a gift. I was lucky to have the opportunity to know Jim, and Hazel, in my formative years when I needed mentors the most, whether I realized that then or not. Strong pictures in my memory of those days and Jim Sharp....

“ Uncle Jim you were such a great strength and comfort to all in the family. I will always treasure the last moments of our hug weeks ago and the memories of running around the flower shop spending time with you and aunt hazel. Now you are with girl papa and mom and boy papa singing with Jesus. I love you forever and will miss you always.
