“ *What a blessing she was to have, my best friend! She was a rock, a powerhouse, I could talk to her about everything and she was always in my corner... she taught me how to be a great mom, she set the example... nothing was more important than her children. There will never be another Jaime... there is comfort knowing we will all see her again one day... love to all of her family ... rest in peace Jaime, you did real good, I love you my friend...*
