“ *This sweet boy had more love, joy and kindness in his pinky than some adults have in their whole body. To know this baby was to know a pure wholehearted love. Jasper was such a light in the classroom not only to his friends but his teacher as well. Jasper reminded me daily why I do what I do. He made a lasting impact on my heart and many others. Melissa, thank you for trusting me with your sweet boy. You all are in my thoughts and prayers.* ”

“ *You and your sister were my light at the end of the tunnel. Y'all are my everything. The way you cuddled the way you held me. I miss you so much. You deserve to be with me and your family. Gone way too soon from this world. I wish I could hold you and love you one last time or forever. My heart was ripped apart the day you left this earth. Mama loves you my sweet little blue eyed boy* ”

“ I'm so sorry I cannot make the service due to being out of town. I was with Melissa the day she found out she was pregnant with little Jasper. When he was born I nicknamed him the little Buda man. He was always so sweet and smiling at everyone. It is devistating that he left this world so soon, but God has big plans for him in heaven!
