“ Jeanette was my BSF leader many years ago & absolutely the best. She would call me & talk sometimes an hour. She was sympathetic with everyone like their problems were so important, while she had her own health problems. I have shared her profound effect on me throughout the years with many people. She was an angel on earth & glowed with the Holy Spirit. I wouldve been to her funeral, had I known.

“ A lot of women are going to miss this beautiful lady. I'm one of them. Whenever I hear the word "Darling" I will think of Jeanette. Special doesn't even come close to describing her. Even with her health issues she enjoyed life and had the best attitude. Like the song says, I can only imagine how much she is enjoying Heaven now.
