“ I am so sorry to see this, my condolences to his family. I knew him back when we were in high school. We met at a church function in Bowie and went to a couple of Church camps at the same time. He was a very sweet guy. Prayers for the family.

“ Jeff was a great butcher and an even better friend to me as a kid, I worked at the local grocery store Gamon's with he and Yvette. He was always so cool, and made sure I felt like I was too. Learned about cutting meat, and learned some about life too from him. I have the best memories of laughing and joking with him whenever he was around. Ran into him years later at Chili's. Had a drink and caught up. He was the same coolest dude ever and just as fun to be around. I hope you are having the best time in heaven brother!
