

Mr. Jeffrey Paul Reid

October 13, 1962 - January 17, 2024

Jeffrey Paul Reid, 61, of Savannah, Texas, passed away on January 17, 2024, in Fort Worth, Texas.

Jeff, as he was known to all of us who loved him, was born on October 13, 1962, in Houston, Texas, to Paul and Barbara (Crider) Reid.

He lived most of his life in Houston until moving to Dallas for a job promotion. He soon realized he wouldn't want to be anywhere else, except Mexico, where he dreamt of retiring one day. Jeff attended Sam Houston State University and later discovered his passion for building new homes for families. He enjoyed seeing the happiness these homes would bring to them in their lifetime.

Jeff was a loving and supportive husband to his wife, Holly, whom he met in 1994 and married in 2001. He was a wonderful and devoted father to his daughters Maddison Rios and Hannah Reid, and his son Corbin Sadler. There isn't anything he loved more than his family and friends; although a good game of poker and a ride on his Harley were a close second. You could always count on Jeff for a good laugh and some razzing to get you going, but it was always meant in good fun. If there was anything ever said about Jeff, it was that if you needed a helping hand, you could call on him and without hesitation, he would drop everything to help. Jeff had a knack for bringing people together, and he never met a stranger which is what most of his friends

admired about him.

Jeff is survived by his wife, Holly; his two daughters, Maddison and Hannah; his son, Corbin; Maddison's husband, Drake; Corbin's wife, Alexa and granddaughters, Emery and Iyla; his father, Paul; sister, Julia; his aunt Jo, and many cousins.

Jeff was preceded in death by his mother, Barbara.

Let all that you do be done in love. - 1 Corinthians 16:14 ESV.

Jeff's family and friends will gather on February 3, 2024, in Savannah, Texas for a celebration of life get-together.
