“ Today, I came across Jens obituary in a discussion on social media. I did a double-take because I could not believe what I was seeing. I worked with Jen for 3.5 years at SBH. I worked in Legal and collaborated with Jen on various complaints, claims, etc. related to the electricals product line. I remember both the first and last time I spoke with Jen. The conversations or meetings between were so often full of laughter, smiles, hugs, and an occasional lunch outing. She would go out of her way to stop in the Legal Department in the main office building (down the road) and visit me to catch up, chat, talk work issues, and crack jokes. We had fun and meanwhile, we both took our jobs seriously and we really clicked when it came to finding resolutions. I can say with certainty that I never heard negativity from Jen; her outlook on life and work was contagious! She was a positive, radiant light and this world was most certainly a more beautiful place with her in it. I admire(ed) her as a mother; and she spoke of her babies with such devotion and admiration of their personalities and talents. Jen was an exceptional example of motherhood and love. Though I am late to the knowledge of her passing, I felt compelled to share with her children and family how wonderful she was. There are few people who light up life like Jenifer could. Im so very sorry for your losses and I send my love to your family.

“ Peggy and Kirk, I am deeply saddened to hear about Jenifer. It seems like yesterday that Jenifer, Amber, and Heather were beautiful, young girls just starting life with the world at their feet. Amber and I are keeping you and your family in our prayers.

“ Jenifer was one of the sweetest people I ever met. She always had a smile on her face, and had a genuine soul and she was willing to help others, whether it be with an ear to listen or a hug for support. Above all, Jenifer loved her family and was so proud of her amazing children. My thoughts and prayers go out to the entire family.
