“ I remember every time I was there the twins (Jerrel and Doris) always made me feel just part of the group! I would find them at the antique shop always working! Doris, I will keep you in my prayers. Mendy, I know how you will remember the good times. She was a great cousin.

You were always our mother in laws favorite daughter. I was her first but you were the favorite because of all the kindness you showed her, me and everyone coming in contact with you. What a treasure you have been to the family. Precious sister, friend and confidant.

Jerrel's death has broken my heart. We had a group of friends that did everything together where we were raised In Watauga Texas. Our church group meant everything to us and our fellowships every Sunday night. We loved our Pastor and his wife Bro. Sam and Agnes young couple. Doris, Jerrel,s twin greatly needs our prayers. She lost not only a sister but her twin sister. This is like she lost part of her life. They just lost their older sister Johnnie a few months ago so Doris needs all her friends plus does her daughters and sons and entire family prayers. Please know Jerrel is fine, it's all left behind that is hurting So bad. I am praying for all of you and asking Jesus to hold each of your hands and wrap is arms tightly around You. Doris I am here for you and love you so much. 💕💕💕👍
