“ Worked with Jerry in the late 60's early 70's at Sears. He was a great man, fun to be around and a good friend. I worked in TVs and he worked appliances. RIP

“ Jerry was one of the kindest, loving souls we've ever met. He will be missed, but is not gone from our hearts. We are so blessed to have known Jerry in one of the settings he enjoyed immensely -- fishing at Blue Mesa Reservoir, Gunnison, Colorado. Love, Donald and Karen

“ Many fond memories of Jerry supporting the Josh and Conner at their baseball games. What a gentle, kind demeanor that set the tone for us rowdy parents at those games! Who would have thought that our son would fall in love and marry your grand-daughter, Jerry! YOU WILL BE MISSED! I know we will rejoice with you in heaven one day!

“ Jerry you will be missed greatly! You always had a smile on your face. So kind, gentle and sweet. You and Dian shared some precious moments with us Summer of 2014 and summer of 2016. We will never forget you two. I know we will see you again someday. That's such a comfort. Can't wait to fish with you and watch the stars and drink cocoa with you again! Prayers and hugs Dian! We send our love!

“ You were one of the most kindest persons I knew. Not one time did you ever get on to me for anything! Anyone that met you, would love you. I remember all the trips to Pilot Point Hill on Lake Texoma, all the family get together's that we would have on our "family block" down the road from you. It wasn't just a planned event, it was almost every week! Sure didn't want to see you leave us so soon but God had other plans.
