“ I was lucky enough to work with Joan for 15 or so years at Verizon. Joan and I initially met during some training but became friends so easily due to her friendly and warm personality. Joan was always so professional and yet we would always devote some time in nearly every work conversation to updates about her wonderful children and then grandchildren. I was so lucky to be part of the "lunch bunch" of several ladies who met for lunches and dinners. Joan would bring pictures and her face - already beautiful - would light up with the latest news at home. I remember golfing once with Jason and also taking ladies golf lessons with Joan. She always made me smile. She was a true friend that could be counted on in the good days and the bad - thru everything - work and life. I will miss you so much Joan! You were a one of a kind friend and beloved colleague!

“ God saw you getting tired and a cure was not to be. So he put his arms around you and whispered "come with me." With careful eyes we watched you, we saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best. My dear friend, you will be missed after all these years of working together. Forever your laughter and love will be in our hearts.

“ I had the privilege to work with Joan many years at Verizon. We had lots of fun times at birthday/Christmas lunches and dinners with two other special friends. She was an awesome mother and grandmother. I am so sad and I will truly miss her. May she rest in peace in God's hands. My sincere condolences to her family.

“ I worked with Joan for 6 years -- over the phone. We became instant friends -- she had that wonderful personality. Before business, we updated each other on family! She was so proud of her children and so in love with her grandchildren. I will miss her. Hansen family, my prayers are with you.
