I worked with Joella at Dan Gist Drug when I was in high school many years ago. She has always held a very special place in my heart. Such a special lady who was an inspiration to me. I am a better person for having known her as a young teenage girl. Sending love, thoughts and prayers to the family. Joyce (Morris) Hatch - Daughter of Pete and Ruby Morris.

Joella will always be associated with my memories of Pilot Point and the caring and kind and thoughtful way she presented herself. She never failed to ask about my mother and dad, and asked after the families of my brothers abs my sister. While I have not lived in PP for a long time, she always made me feel welcomed home. Rest In Peace.

*Aunt Jo was such a sweet and caring lady. We loved visiting at Dan's Drugs way back when, she always had a smile for everyone. She always the first one to offer to help anyone in need. She was a " True Bearcat fan". She loved her sons and grandkids. If there was a game to be played, She was there to root them on. She will be sorely missed.*
