“ Holy moly! We can't believe it's been almost a month. Being so far away, down here in San Marcos we had no idea of John's passing. When Jan and I lived just down the hill from you on Foutch Rd. if we were ever in need of some assistance John was always the first person we called and he always responded with a smile. We remember all the good times he had blowing up the sky on the 4th of July. We really miss those times, and John, and you too Joy, very much. We hope that they they have Miller Lite and fireworks up there in heaven.
