“ I want to extend my deepest sympathy and heartfelt condolences to you and your family. Your father was such a kind and generous man. I'll never forget the time I asked him why he donated \$300 to the Jerry Lewis Telethon every year. He smiled and said it was because he was grateful to have three healthy children. What a great memory. I truly loved and admired him. He always welcomed me with open arms and made me feel like part of your family, just as your precious mother did. It was a gift to know him, and I will carry his memory with me always. I'm so grateful I was able to spend time with him in December. May you find comfort in the love he gave and in the legacy of kindness he leaves behind. You and your family are in my heart and prayers.
