2001 with a mission to help those in need. By operating PRAZIM Ministries Reverend John Holland used his talents for the Lord well. John will be remembered by many and missed by all of those whose lives he touched. He has gone on to be with his Heavenly Father and sing with the angels.

“ Was an honor to have a man like John in my life. When I had an issue, I always receive the best of advice from him. A great person which always tries to do the best for the people. A person which always tries to learn more and more. I'm glad to have a co-worker like John in Commscope for 3 years. Brother, rest in peace.

“ John was a Godsend for so many, including myself. When I was down, he could immediately brighten my day, whether it be with his smile or a little joke. He always had a joke to share! I am so thankful for the friendship that we got to share over the past 3 years since he joined Peterbilt and the scripture messages he would share on FB daily that encouraged me to revisit my own faith. I am, and will continue, going to miss him, but I find comfort that he trusted GOD to lead him, and I will rejoice when I can see him again! I pray for Mary and John's family for strength, but hope the memories will help them find comfort & peace until we meet him again.

“ I didn't know John as a man, only on facebook, but I knew him as a little boy when he went to church with his mom and dad in Rahway, N.J. I know he is with his Lord and Savior and getting his reward for doing GODS work! GOD BLESS his family!

“ I will always be grateful to John, my brother, for leading me back to God and to a newfound faith and life in Jesus and the salvation found in Him.

While we will surely miss him here, I am glad he is no longer suffering, and that Jesus has brought him home to the God he loved. I look forward to the day when I can see him again.
