

## Jonathan Micheal Farmer

November 14, 1980 - December 30, 2018

Jonathan Micheal Farmer, 38, passed away unexpectedly on December 30, 2018, at a Fort Worth Texas hospital. He was born November 14, 1980, in Fort Worth to Edward B. Farmer and Grace Ann Kelly Farmer.

Much like his grandmother, he never met a stranger and was always a joyful person to be around. He had a true servant's heart and was known often to go out of his way to help family and friends. Jonathan was a 1999 graduate of Crowley High school, an Eagle Scout, and Order of Arrow Vigil Member. To those he loved most he was a loving husband, father, son, brother, and uncle. Jonathan enjoyed family gatherings, cooking, cold weather camping, photography, and sketching (drawing). He enjoyed adventure and was an Entrepreneur having started and operated several businesses. He was not a person who could sit around and do nothing. Jonathan was always active and busy with family, church, and business.

He is survived by wife, Kristin Farmer and daughters, Kaleigh Melton and Miranda Robinson of Fort Worth; parents, Ed and Grace Farmer of Crowley; sister, Jennifer Hill and husband Matthew Hill; nephews Evan and Caleb Hill of Burleson; brother, David Farmer and his wife, Abigail Hardee Farmer; and nephews, Matthew Hardee and Wesley Farmer of Fort Worth. In-laws, Tom and Nanci Robinson of Burleson and grandmother-in-law, Bobbie Davis of Burleson; and a host of other family and friends.

Jonathan is preceded in death by grandparents, Robert and Barbara Norrell and Jack and Betty J. Farmer; and niece, Emma Grace Hill.

“ I first met Jonathan when he was on staff at Worth Ranch and I was a scoutmaster needing all of the help I could get. He was ALWAYS helpful and courteous and a good role model for the younger scouts. It is very distressing to hear this news. A terrible tragedy for all who knew him. I pray for peace for his family. Bill Ellis, Scoutmaster (ret), Troop 14, Longhorn Council, BSA.

“ I was never blessed to know Jonathan personally, but I do know he was a wonderful husband, loving stepfather, and a talented artist. But most importantly I know Jonathan loved Jesus and you will see him again when you are both in the presence of our Heavenly Father.

“ Jonathan and I got our driver's licenses at about the same time, so most of my fond memories of gaining the freedom to drive is coupled with him. We took turns driving my Plymouth Horizon all over Crowley. One time, he lost control of the car and we slid sideways into a curb. I thought the car was going to flip, but it jumped the curb right into someone's front yard. I couldn't believe it. The car wasn't even damaged. Both of us were a lot more careful after that. We would often eat lunch together and talk about goofy stuff. I wish I had talked with him since high school. I can only imagine what a good man he turned out to be.
