“ I went to school with Bert 6 years thru 1965. He was always a happy go lucky guy and a pleasure to be around. There was never a dull moment. My thoughts and prayers are with his family and friends.”

“ The Allen Family is all together again, I can hear the laughter now. He may be gone but he will never be forgotten, everyone has a story to tell about Joseph. I think I've heard them all but probably not. He lived every day as if it were his last and never worried about tomorrow and it served him well for a long time. In his next life I know he is just as happy as he was in this one. Heaven just got a little livelier. R.I.P....JB”
