“ As time goes by, and it will, may you be comforted by his memory and his love, I know personally how it hurts, it will always hurt but smile at his memory, hold that close to your heart and trust that God is caring for him now.

“ My thoughts and prayers are with Justins family and friends during this difficult time. I will never forget hanging out with him at Riverbend and our after school chats. He had a one-of-a-kind personality, never met a stranger, had the ability to make anyone laugh, and was always smiling. He will be missed by so many!

“ Prayers to the family. Justin, You were an older brother to me. You protected me like an older brother would and you never left without saying I love you and giving me a hug. I'm going to miss those big ol hugs, that goofy laugh, your bright smile, and most importantly your listening ear. I could talk to you for hours about anything and you always listened. I know you'll be watching over me along side with my papa. Rest easy.
