“ Dear Lon and family,All of you have our deepest sympathy for the loss of Karen. Karen and I grew up together as kids, so we shared a lot of fun times together. Being asked to be in your wedding was such a treat for me - you two were a beautiful couple then and continued to be as you shared your life together. May all of you feel the comfort of God's arms around you and may He provide the needed strength to go forth. "Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy." John 16:22Love to all of you, Beth & Sam Osborne

“ Lon, You are an incredible man and you forever have left an impact on me. I've never known such a caring person for everyone, but especially when you talked about your wife and kids. I know she was an amazing woman without even knowing her because of the way you lit up when you talked about her. Especially when you talked about how you dressed up as Mary Antoinette and you had her help you every step of the way. I'm so sorry for your loss but I know she is at home now and no longer a victim of her health. Love ya Cakerice! (Preston from PT)
