“ Melanie, I am Carolyn Dorough-Watts, daughter of Frank and Barbara Dorough. Your daddy and mine were on the fire department together along with Harold Seitz. I met you a couple of times when you were real little. My mom passed away one month before your momma (9/25/21). I was posting on her memory page and stumbled across your momma's obituary. We had no idea she has passed away until yesterday. I am sorry for your loss and for your daddy to. I have fond memories of them both. Daddy (Frank) wanted to let you know that he is sorry that they are gone and is praying for you. He just turned 87 and is just lost without mom and his good friends. I tried calling your mom several times after your dad passed, we just wanted to check on her and see how she was doing. I never got through, just voice mail. I hope you are doing ok, and again, we are sorry that both are gone. They were truly the sweetest people and I am honored to have known them for so many years. Your daddy could cook up some mean meals at #41's. I don't know if you knew, but that station was destroyed a couple years ago by a tornado. That was a precious piece of history for all of us, I loved going over there. Your daddy was the cook, my daddy was the candy man. Well, you take care and please know my mom is in the same cemetery as will dad and me one day, but I will see that their resting places are kept up, clean, and flowers on them at Christmas because I know you live away. Sincerely, Carolyn Dorough-Watts.
